

What is Swift 911?

Swift 911 is a computerized telephone calling system that can be used to notify you of an emergency situation such as a severe storm evacuation or a dangerous situation.

How does Swift 911 work?

Each resident and business within the Township of Ocean (or a targeted area) will receive a telephone message with the emergency alert.

Who activates the system?

Only the Township of Ocean Police Department can activate or send an alert.

I have an unlisted phone number. Will I be listed in the data base?

To be sure you are listed, sign up for Swift 911 alerts by providing your information by mail or by logging onto www.townshipofocean.org and clicking the Swift 911 link at the bottom right.

If I do not have internet access, how can I sign up?

You can fill out the form below and mail it to the Township Police Dept.

How can I be sure that I am listed in the database?

The Town's list of phone numbers comes from a variety of sources. If you receive the test phone call on MARCH 2nd, you are listed in the database. If not, register online.

How can I get a text message?

Simply provide your information by logging onto www.TownshipofOcean.org and click on the Swift 911 link at the bottom right. Or you may supply information by mailing it to us.

I'd rather not be listed - how can I take my name off of the system?

Simply provide your information by logging onto www.TownshipofOcean.org. Click on the Swift 911 link at the bottom right and select the "Remove" button. You may also put it in writing and mail to the Township Police Dept. .
