

## **Waretown Historical Society**

*∞ Fall Program ∞*

*“The Tuckerton Wireless”*

*(1912-1955)*

*Presented by*

*local historian John H. Yates*

*Sunday, September 17, 2017*

*2:00 PM*

*John H. Yates, of the Tuckerton Historical Society, will present a PowerPoint program on the 850-foot tall Tuckerton Wireless Tower.*

*It was located on Hickory Island, in the present-day Mystic Island section of Little Egg Harbor.*

*John will discuss its construction, technology, use for trans-Atlantic communications, history in the world wars, demise, and local interest information. All will be covered with many photographs.*

**Little Red School House Museum**

**182 Wells Mills Road**

**Waretown, N.J. 08758**
