

Welcome everyone to our new crochet club open to
beginners and experienced crafters

We will be having our first meeting on
February 15th at the
Waretown Community Center
located at 239 11th Street, Barnegat, NJ

Beginners if you could bring 1 skein of yarn (any type)
and an H hook crochet hook we can help you learn to
crochet. If you have an idea of what you would like to
attempt that would also be helpful.

Experienced crotchetier bring anything that you are
currently working on or would like to start.

This club is open to anyone for the purpose of exchanging
ideas and to make projects that will be donated to the
needy. If you have any questions please call Debbie at
609-384-2178

Hope to see you there.
